BAB I PENDAHULUAN ........................................................................................................... 1
1.1 Latar Belakang ..................................................................................................................... 1
1.2 Identifikasi Masalah .......................................................................................................... 9
1.3 Cakupan Masalah ............................................................................................................ 10
1.4 Rumusan Masalah ........................................................................................................... 10
1.5 Tujuan Penelitian ............................................................................................................ 11
1.6 Manfaat Penelitian .......................................................................................................... 12
BAB II KAJIAN PUSTAKA DAN LANDASAN TEORETIS ....................................................... 14
2.1 Kajian Pustaka ........................................................................................................ 14
2.2 Landasan Teoretis ................................................................................................... 34
2.2.1 Keterampilan Menulis .......................................................................................... 34
2.2.1.1 Hakikat Menulis .............................................................................................. 35
2.2.1.2 Tujuan Menulis ............................................................................................... 36
2.2.1.3 Manfaat Menulis ............................................................................................. 38
2.2.1.4 Fungsi Menulis ............................................................................................... 39
2.2.1.5 Ciri-ciri Tulisan yang Baik .............................................................................. 40
2.2.1.6 Tahap Penulisan .............................................................................................. 41
2.2.1.7 Menulis Poster ................................................................................................. 44
2.2.2 Hakikat Poster ..................................................................................................... 44
2.2.2.1 Pengertian Poster ............................................................................................ 44
2.2.2.2 Jenis Poster ..................................................................................................... 45
2.2.2.3 Karakteristik Poster ....................................................................................... 46
2.2.2.4 Langkah-langkah Penulisan Poster ............................................................... 47
2.2.3 Hakikat Model Pembelajaran .............................................................................. 48
2.2.3.1 Pengertian Model Pembelajaran ................................................................. 48
2.2.3.2 Fungsi Model Pembelajaran ......................................................................... 49
2.2.3.3 Jenis Model Pembelajaran ............................................................................ 50
2.2.4 Model Pembelajaran Kontekstual ...................................................................... 51
2.2.4.1 Asumsi Dasar ............................................................................................... 51
2.2.4.2 Sintakmatik .................................................................................................... 52
2.2.4.3 Sistem Sosial ................................................................................................. 54
2.2.4.4 Prinsip Reaksi ................................................................. 55
2.2.4.5 Sistem Pendukung ............................................................. 55
2.2.4.6 Dampak Instruksional dan Pengiring ...................................... 55
2.2.5 Hakikat Media Pembelajaran .................................................. 56
2.2.5.1 Pengertian Media Pembelajaran ........................................... 56
2.2.5.2 Manfaat Media Pembelajaran .............................................. 57
2.2.5.3 Fungsi Media Pembelajaran ............................................... 58
2.2.5.4 Ciri-ciri Media Pembelajaran ............................................. 60
2.2.5.5 Kriteria Pemilihan Media .................................................. 61
2.2.5.6 Jenis Media Pembelajaran ................................................ 63
2.2.6 Media Gambar Iklan Layanan Masyarakat .................................. 64
2.2.7 Keterampilan Menulis Poster dengan Model Pembelajaran Kontekstual dan Media Gambar Bertema Iklan Layanan Masyarakat ........................................... 65
2.2.8 Kerangka Berpikir ............................................................... 67
2.2.9 Hipotesis Tindakan .............................................................. 70
BAB III METODE PENELITIAN ..................................................... 71
3.1 Desain Penelitian ........................................................................ 71
3.2 Prosedur Penelitian ................................................................... 73
3.2.1 Prasiklus .............................................................................. 73
3.2.2 Siklus I ................................................................................. 74
3.2.3 Siklus II ............................................................................... 77
3.2.4 Siklus III .............................................................................. 81
3.3 Subjek Penelitian ....................................................................... 84
3.4 Populasi dan Teknik Pengambilan Sampel .......................................................... 84
3.5 Variabel Penelitian .................................................................................................. 85
3.6 Instrumen Penelitian ............................................................................................... 85
3.6.1 Instrumen Tes ..................................................................................................... 86
3.6.2 Instrumen Nontes ............................................................................................... 90
3.6.2.1 Pedoman Observasi ...................................................................................... 90
3.6.2.2 Pedoman Wawancara .................................................................................. 92
3.6.2.3 Pedoman Angket ......................................................................................... 93
3.6.2.4 Dokumentasi .................................................................................................. 96
3.7 Teknik Pengumpulan Data .................................................................................... 96
3.7.1 Teknik Tes .......................................................................................................... 97
3.7.2 Teknik Nontes .................................................................................................... 97
3.7.2.1 Observasi ....................................................................................................... 97
3.7.2.2 Wawancara ................................................................................................... 98
3.7.2.3 Angket ........................................................................................................... 98
3.7.2.4 Dokumentasi .................................................................................................. 99
3.8 Teknik Analisis Data ............................................................................................. 99
3.8.1 Teknik Kuantitatif ............................................................................................ 100
3.8.2 Teknik Kualitatif .............................................................................................. 101
BAB VI HASIL PENELITIAN DAN PEMBAHASAN ............................................ 103
4.1 Hasil Penelitian ..................................................................................................... 103
4.1.1 Hasil Penelitian Prasiklus ............................................................................... 103
4.1.1.1 Proses Pembelajaran Prasiklus ................................................................... 104
4.1.1.2 Hasil Tes Prasiklus ................................................................. 105
4.1.1.2.1 Hasil Tes Menulis Poster Aspek Isi Prasiklus ....................... 106
