ACKNOWLEDGEMENT

Bismillahirrahmanirrahiim. Thanks the author to Allah SWT, thanks to His grace and guidance the author can complete this essay. Prayers and greetings were poured out on the Prophet Muhammad, his family and friends.

Furthermore, the author would like to convey infinite gratitude to all parties who helped smooth the writing of this essay, both in the form of moral and material encouragement. Because the author believes without help and support, it is difficult for the writer to finish writing this description.

In addition, allow the author to express his highest gratitude and appreciation to:

1. Dean of the Engineering Faculty of UNISSULA, Ir. H. Rachmat Mudiyono MT., Ph. D. and Head of Department of Civil Engineering, Faculty of Engineering UNISSULA, Bapak Ari Sentani, ST. MSc., for permission, to take the final assignment as the requirement for reaching Bachelor Degree in Civil Engineering in Faculty of Engineering UNISSULA.
2. My study supervisor Ir. Gata Dian Asfari, MT and Ir. H. Gatot Rusbintardjo, M.R.EngMSc.,Ph.D. has taken the time to guide the writer in completing this essay, thanks you for his encourages, guidance, criticism, advice, motivation and friendship. Without their continued support and interest, this final assignment report would not have been the same as presented here.
3. Mr. and Mrs. Lecturer Faculty of Engineering who have provided their knowledge to the author. hopefully the knowledge that the author has obtained can be useful in the future.
4. A very special expression of thanks and appreciation from the author with the humble and respectfulness of the two beloved parents,sister,brother and my partner of final assigment. Prayer of blessings, advice and guidance from them will be the most effective moral impetus for the continuation of the study authors to date. And to my friends Widiya Ayu Agustini, Misbah, Sita Melinda, Siti Sri Astuti, Lulu Isnaini Ija, Ibnu, who always gives support to author.
5. Thanks to All of my friends in Faculty of Civil Engineering 2014 especially class A for their support

Finally the author hopes that the good deeds of all parties that have helped the writer in completing this thesis get a reward from the mercy of Allah SWT. Hopefully what has been written in this thesis can be beneficial for all parties. Amiin ya Robbal 'alamin

Semarang,

August 2018
