BAB I PENDAHULUAN ............................................................................................ 1

1.1 Latar Belakang .................................................................................................... 1
1.2 Rumusan Masalah ............................................................................................. 7
1.3 Tujuan Penelitian ............................................................................................. 8
1.4 Signifikansi Penelitian ................................................................................... 8

xiii
1.4.1 Signifikansi Praktis ......................................................... 8
1.4.2 Signifikansi Akademis dan Sosial ................................. 8
1.5 Batasan Penelitian ............................................................. 12
1.6 Kerangka Teori ............................................................... 9
1.6.1 Paradigma ................................................................. 9
1.6.2 State Of The Art ........................................................... 10
1.6.3 Teori Kontruksi Realitas Sosial ..................................... 14
1.6.4 Analisis Framing .......................................................... 17
1.7 Operasional Konsep ......................................................... 21
1.8 Metode Penelitian ............................................................ 29
1.8.1. Tipe Penelitian ......................................................... 29
1.8.2. Situs Penelitian ....................................................... 30
1.8.3. Subyek Penelitian .................................................... 30
1.8.4. Jenis Data ............................................................... 30
1.8.5. Sumber Data ........................................................... 30
1.8.6. Teknik Pengumpulan Data .......................................... 31
1.8.7. Analisis Data .......................................................... 32
1.8.8. Kualitas Data .......................................................... 34

BAB II PROFIL PERUSAHAAN .................................................. 35

2.1 Detik.com ........................................................................ 35
  2.1.1 Sejarah Detik.com .................................................... 35
  2.1.2 Profil Perusahaan ..................................................... 36
  2.1.3 Visi dan Misi Detik.com ............................................ 37
2.1.4 Manajemen dan Redaksi Detik.com ........................................ 38
2.1.5 Logo Detik.com ...................................................................... 43

2.2 Republika.co.id ........................................................................ 44
2.2.1 Sejarah Republika.co.id ........................................................ 44
2.2.2 Visi dan Misi Republika.co.id ............................................... 46
2.2.3 Profil Perusahaan .................................................................. 47
2.2.4 Susunan Manajemen dan Redaksi Republika.co.id ............... 48
2.2.5 Logo Republika.co.id .............................................................. 50

BAB III PENYAJIAN DATA ............................................................... 51

3.1 Data Agenda Pemberitaan Seputar Kasus Suap Izin Pembangunan
Meikarta di Detik.com dan Republika.co.id ...................................... 51

3.2 Temuan Data Analisis Framing Model Zhongdang Pan dan Kosicki
dari Detik.com ............................................................................... 53
3.2.1 Struktur Sintaksis ................................................................. 53
3.2.2 Struktur Skrip ....................................................................... 57
3.2.3 Struktur Tematik .................................................................... 57
3.2.4 Struktur Retoris ..................................................................... 57

3.3 Temuan Data Analisis Framing Model Zhongdang Pan dan Kosicki
di Republika.co.id ........................................................................ 58
3.3.1 Struktur Sintaksis ................................................................. 58
3.3.2 Struktur Skrip ....................................................................... 61
3.3.3 Struktur Tematik .................................................................... 61
3.3.4 Struktur Retoris ..................................................................... 61

xv
BAB IV HASIL DAN PEMBAHASAN ................................................................. 62

4.1 Hasil Penelitian .................................................................................... 62

4.4.1 Framing Tema Kasus dugaan suap Meikarta yang melibatkan
Iwa Karniwa dan Bratolomeus ................................................................. 62

4.4.2 Framing Tema yang mendapatkan aliran dana suap izin
pembangunan meikarta ........................................................................... 66

4.4.3 Framing Tema Kinerja KPK dalam pemberantasan Korupsi
kasus dugaan suap izin pembangunan meikarta ................................... 70

4.2 Pembahasan Penelitian ........................................................................ 75

4.2.2 Kontruksi Realitas Sosial ................................................................. 75

4.2.2 Kontruksi Realitas Sosial pada Detik.com ........................................ 76

4.2.3 Kontruksi Realitas Sosial pada Republika.co.id .............................. 81

BAB V PENUTUP ......................................................................................... 86

5.1 Kesimpulan ......................................................................................... 86

5.2 Saran ..................................................................................................... 89

5.2.1 Media Online Detik.com dan Republika.co.id ................................. 89

5.2.2 Pembaca .......................................................................................... 90

5.2.3 Peneliti selanjutnya ......................................................................... 90
