## STATEMENT OF WORK'S ORIGINALITY

Hereby, I honestly declare that the undergraduate thesis I wrote does not contain the works or part of the work of other people, except those which were cited in the quotations and the references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

**Too many people are working hard on things they don't love, to spend money they don't have, to buy things they don't need, to impress people they don't like. Remember, we become successful by what we get, but we become happy by what we give. Don't get the two confused.**
