

ABSTRACT

Rewa Mas One. 2020. Factors Affecting Students in Learning English Language (A Descriptive Study in the Tenth Grade Students at SMA Islam Sultan Agung 1 Semarang in the Academic Year 2018/2019). English Language Education Islamic University. Advisor: Kurniawan Yudhi Nugroho, S.Pd., M.Pd.

This final project was conducted to investigate the problems faced by student in learning English language. This study was conducted to the tenth graders of SMA Islam Sultan Agung 1 Semarang, which is located in Jl. Mataram No. 657 Semarang, Central Java, Indonesia. The objectives study were to find the factors hindering the students in learning English language. Design of this project belongs to descriptive study. The data were collected through the observations and interviews. Result in the study showed there are several fators to hinder students in term of developing their language skills; Motivation, prior knowledge and skills of the target language, facilities, and class environment. The study revealed that the factors have potentially decreased the quality of learning and so progress of learning was considered slow. In order to improve the recent process of learning, the study encourages the involvement of both teachers and school officials in fixing the problems. Improvement can start from, yet not limited to revisiting the course design and supervising the process of learning as well as updating pedagogical and professional competences of English teachers.

INTISARI

Rewa Mas One. 2020. Factors Affecting Students in Learning English Language (A Descriptive Study in the Ten Grade Students at SMA Islam Sultan Agung 1 Semarang in the Academic Year 2018/2019). English Language Education Program. College of languages and communication science. Sultan Agung Islamic University. Advisor: Kurniawan Yudhi Nugroho, S.Pd., M.Pd.

Tugas akhir ini dilakukan untuk menyelidiki masalah yang dihadapi oleh siswa dalam belajar bahasa Inggris. Penelitian ini dilakukan untuk siswa kelas sepuluh SMA Islam Sultan Agung 1 Semarang, yang berlokasi di Jl. Mataram No. 657 Semarang, Jawa Tengah, Indonesia. Tujuan penelitian adalah untuk menemukan faktor-faktor yang menghambat siswa dalam belajar bahasa Inggris. Desain proyek ini termasuk dalam studi deskriptif. Data dikumpulkan melalui observasi dan wawancara. Hasil dalam penelitian menunjukkan ada beberapa faktor yang menghambat siswa dalam hal mengembangkan keterampilan bahasa mereka; Motivasi, pengetahuan sebelumnya dan keterampilan bahasa target, fasilitas, dan lingkungan kelas. Studi ini mengungkapkan bahwa faktor-faktor tersebut berpotensi menurunkan kualitas pembelajaran sehingga kemajuan pembelajaran dianggap lambat. Untuk meningkatkan proses pembelajaran baru-baru ini, penelitian ini mendorong keterlibatan guru dan pejabat sekolah dalam memperbaiki masalah. Peningkatan dapat terbentuk, namun tidak terbatas pada meninjau kembali desain kursus dan mengawasi proses pembelajaran serta memperbarui kompetensi pedagogis dan profesional guru bahasa Inggris.
