STATEMENT OF WORK'S ORIGINALITY

Hereby, I honestly declare that the undergraduate final project I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and the references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

I have some words for you as my thankfulness for the settled project.

These words for you

who assist me pursue

the incredible dream,

the dazzling gleam.

Remember when I started first.

My spirit bursts,

but the obstacles came

seriously test my aim.

And you are an angel

with supports available.

Holds my hand tightly,

transfers your energy fully

Then I see your flame.

Why didn't I do the same?

So I collect all effort

to come out from my comfort.

Finally I succeed to kill my fear.

Thanks to you, my Dear.

Finally, I realize that this final project is still far from being perfect. However, I strongly hope that this final project will be useful for the readers.
