STATEMENT OF WORK'S ORIGINALITY

Hereby, I honestly declare that the undergraduate thesis I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and the reference, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

Also if you don’t step forward,
you’re always in the same place”. (Nora Robert)
