STATEMENT OF WORK'S ORIGINALITY

Hereby, I honestly declare that the undergraduate thesis I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and the references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

MOTTO AND DEDICATION

Motto:

“As it is my first life, it is normal to make mistakes. Trial-error is a must to learn and discover new things. Reviewing, correcting, learning, and keep going. Since life is a short journey, set the goals, but enjoy everything in the process. Whatever the result will be, always be good, do good, and back to God.”

(Isna Letidia Putri 2021)

[Motto inspired by k-dramas I have watched, novels I have read, also all of you whom I met in this life]
