MOTTO

“Dan janganlah kau berputus asa dari rahmat Allah. Sesungguhnya tidaklah seseorang berputus asa kecuali orang – orang yang kafir”

(QS. Yusuf : 87)

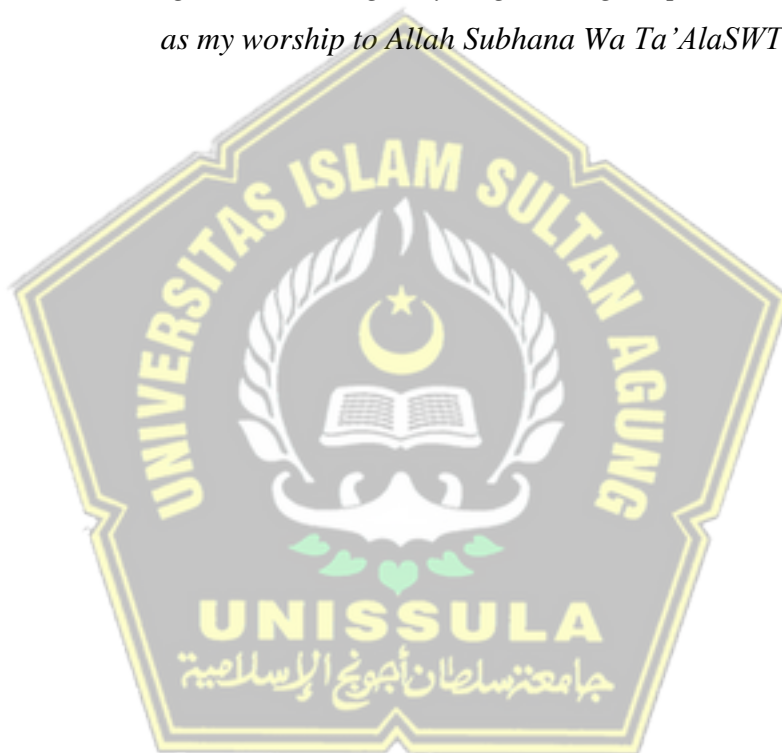

“Behold along with the difficulty there is relief. Therefore when you're done (do something else). And hope to the Lord.

(QS. Al Insyirah : 6-8)

DEDICATION

*“I dedicated this Final Assignment to the knowledge of Civil Engineering
in general and Highway Engineering in special and
as my worship to Allah Subhana Wa Ta’AlaSWT”*

ACKNOWLEDGEMENT

Bismillahirrahmanirrahim,

I realize that this Final Assignment can be completed because of the Grace of Allah Subhana wa Ta'ala, the prayers of my Father and Mother, with approval of the Dean of Engineering Faculty of UNISSULA Semarang, the guidance of my supervisors and the help of friends especially Yusia Nanda Agustanti. For that I would like to thank to:

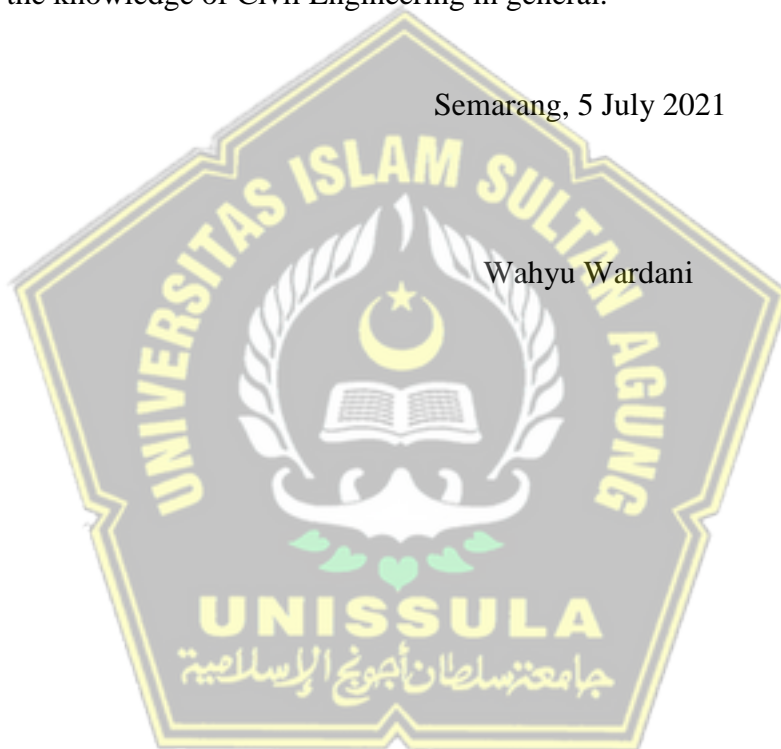

1. Dean of the Engineering Faculty of UNISSULA Bapak Ir. H. Rachmat Mudiyo, MT., Ph.D.,
2. Head of Civil Engineering Department, Faculty of Engineering of UNISSULA Bapak M. Rusli Ahyar, ST., MT., for his facilities that he gives, so that I can carry out this Final Assignment.
3. My supervisor Bapak Ir. Gatot Rusbintardjo, M.R.Eng.Sc.,Ph.D. Thank for his encouragement, guidance, criticism, friendship, advice, and motivation that he gave. Without his continued support and interest, this Final Assignment report would not able to be completed.
4. My co-supervisor Bapak Eko Muliawan Satrio, S.T., M.T. Thank for his encouragement, guidance, criticism, friendship, advice, and motivation. Without his continued support and interest, this Final Assignment report would not able to be completed.
5. To Bapak Sugiyat and Ibu Ciptowati, my beloved father and Mother, thanks for you who always pray for me so that I can complete my Final Assignment and achieve what I have today.
6. Also thank to my love brothers Sigit Bayu Saputra and Yusuf Adhi Putranto for their support and prayer.
7. Thanks to Yusia Nanda Agustanti as my love partner for her cooperation in completing this Final Assignment.

8. In this ocaion I also would like to thanks for my best friends Risqa Prasetiyo Amanda Putri, S.T., Nurwanti Anggraeni, S.T., Trimurti Kumala Dewi, for their support and motivation that always give to me.
9. Finally, thank also I give to all Administration Staff of Engineering Faculty of UNISSULA as well as all of my classmate in class of 2017 of Department of Civil Engineering for their support and friendshipness where I have been studying for 4 years.

Thus my gratitude, I hope my Final Assignment is useful, for myself in particular and for the knowledge of Civil Engineering in general.

Semarang, 5 July 2021

Wahyu Wardani
