**BAB I** PENDAHULUAN

1.1. Latar Belakang Masalah ......................................................... 1
1.2. Perumusan Masalah .............................................................. 4
1.3. Tujuan .................................................................................... 4
1.4. Manfaat .................................................................................. 5

**BAB II** KAJIAN PUSTAKA

2.1. Status SDM ............................................................................. 6
2.2. Modal Sosial .......................................................................... 9
2.3. Pendidikan ............................................................................. 14
2.4. Pengalaman ........................................................................... 16
2.5. Kerangka Pemikiran ............................................................... 20

**BAB III** METODE PENELITIAN

3.1. Jenis Penelitian ....................................................................... 22
3.2. Sumber Data ........................................................................... 22
3.3. Metode Pengumpulan Data .................................................... 23
3.4. Responden .............................................................................. 23
3.5. Variabel dan Indikator ........................................................... 24
3.6. Teknik Analisis Data .................................................. 25
  3.6.1 Uji Validitas ....................................................... 25
  3.6.2 Uji Reliabilitas ................................................... 26
  3.6.3 Uji Asumsi Klasik .............................................. 26
  3.6.4 Teknik Analisis Data ............................................ 29

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1. Hasil Penelitian .......................................................... 32
  4.1.1. Identitas Responden ............................................. 32
  4.1.2. Deskripsi Variabel .............................................. 35

4.2. Analisis Data .................................................................. 40
  4.2.1. Uji Kualitas Data .................................................. 40
  4.2.2. Uji Asumsi .......................................................... 42
  4.2.3. Pengujuan Kelayakan Model ..................................... 45
  4.2.4. Regresi Linier Berganda ......................................... 45
  4.2.5. Pengaruh Langsung, Tidak Langsung dan Total .......... 50

BAB V PENUTUP

5.1. Simpulan ........................................................................ 53
  5.1.1. Simpulan Rumusan Masalah .................................... 53
  5.1.2. Simpulan Hipotesis ............................................... 54

5.2. Implikasi Manajerial .................................................... 54

5.3. Keterbatasan Penelitian dan agenda Penelitian Mendatang . 55
