BAB I PENDAHULUAN ......................................................................................... 1
  1.1 Latar Belakang Masalah .............................................................................. 1
  1.2 Rumusan Masalah ..................................................................................... 5
  1.3 Tujuan Penelitian ...................................................................................... 7
  1.4 Kontribusi dan Manfaat Penelitian ........................................................... 8

BAB II KAJIAN PUSTAKA .................................................................................. 10
  2.1 Landasan Teori .......................................................................................... 10
    2.1.1 Signalling Theory ............................................................................. 10
    2.1.2 Pasar Modal ..................................................................................... 12
    2.1.3 Laporan Keuangan ........................................................................... 14
2.1.4 Saham ........................................................................................................ 18
    2.1.4.1 Pengertian Saham ........................................................................... 18
    2.1.4.2 Risiko Saham ................................................................................ 19
2.2 Variabel-Variabel Penelitian ........................................................................ 23
    2.2.1 Return Saham .................................................................................... 23
    2.2.2 Return On Equity (ROE) ................................................................. 27
    2.2.3 Current Ratio (CR) ........................................................................... 29
    2.2.4 Debt to Equity Ratio (DER) .............................................................. 30
    2.2.5 Earning Per Share (EPS) .................................................................. 32
2.3 Penelitian Terdahulu ...................................................................................... 33
2.4 Pengembangan Hipotesis ............................................................................. 37
    2.4.1 Hubungan Return On Equity (ROE) Terhadap Return Saham .......... 37
    2.4.2 Hubungan Current Ratio (CR) Terhadap Return Saham ............... 38
    2.4.3 Hubungan Debt to Equity Ratio (DER) Terhadap Return Saham .. 39
    2.4.4 Hubungan Earning Per Share (EPS) Terhadap Return Saham .... 40
2.5 Kerangka Pemikiran Teoritis ...................................................................... 41

BAB III METODE PENELITIAN ......................................................................... 43
3.1 Jenis Penelitian ........................................................................................... 43
3.2 Variabel, Definisi Operasional dan Pengukuran Variabel ....................... 44
    3.2.1 Variabel Penelitian .......................................................................... 44
    3.2.2 Definisi Operasional dan Pengukuran Variabel .............................. 45
3.3 Populasi dan Sampel .................................................................................. 47
    3.3.1 Populasi ............................................................................................ 47
3.3.2 Sampel ........................................................................................................47

3.4 Jenis dan Sumber Data ..................................................................................48

3.4.1 Jenis Data ........................................................................................................48

3.4.2 Sumber Data ....................................................................................................49

3.5 Tehnik Pengumpulan Data ...............................................................................49

3.6 Tehnik Analisis Data ..........................................................................................50

3.6.1 Statistik Deskriptif ..........................................................................................50

3.6.2 Uji Asumsi Klasik ..........................................................................................50

3.6.2.1 Uji Normalitas ..........................................................................................51

3.6.2.2 Uji Multikolinearitas ................................................................................52

3.6.2.3 Uji Heterokedastisitas ..............................................................................53

3.6.2.4 Uji Autokorelasi ......................................................................................54

3.6.3 Analisis Regresi Berganda ............................................................................55

3.6.4 Uji Hipotesis (Uji t) ......................................................................................56

3.6.5 Uji Hipotesis (Uji F) ......................................................................................57

3.6.6 Koefisien Determinasi (R^2) ........................................................................58

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ...........................................60

4.1 Hasil Penelitian .................................................................................................60

4.1.1 Deskripsi Sampel ..........................................................................................60

4.1.2 Deskripsi Variabel ........................................................................................60

4.2 Analisis Data ....................................................................................................62

4.2.1 Uji Asumsi Klasik ........................................................................................62

4.2.1.1 Uji Normalitas ........................................................................................62
4.2.1.2 Uji Multikolinearitas .................................................. 64
4.2.1.3 Uji Heteroskedastisitas ............................................. 65
4.2.1.4 Uji Autokorelasi ....................................................... 66
4.2.2 Uji Regresi Linier Berganda ........................................ 67
4.2.3 Uji Hipotesis (Uji-t) ...................................................... 69
4.2.4 Uji Hipotesis (Uji F) ...................................................... 70
4.2.5 Koefisien Determinasi (R²) ........................................... 71
4.3 Pembahasan ................................................................. 72
4.3.1 ROE (Return On Equity) ............................................. 72
4.3.2 CR (Current Ratio) ....................................................... 73
4.3.3 DER (Debt to Equity Ratio) .......................................... 75
4.3.4 EPS (Earning Per Share) ............................................. 76
BAB V PENUTUP .................................................................. 78
5.1 Kesimpulan ................................................................ 78
5.2 Saran ............................................................................ 78
5.3 Keterbatasan Penelitian ................................................ 79
5.4 Agenda Penelitian Mendatang ....................................... 80
