

as media and the students who were taught without videos as media in writing descriptive text.

B. Suggestions

There are some suggestions especially for students in order to improve their ability in writing descriptive text:

1. To the teachers

- a) It is better for the teacher to be more creative in teaching English, so the students can feel more interested in learning English.
- b) The teacher should have a good choice in selecting the media based on the students' level and interest.
- c) Teachers are expected to motivate to the students in writing especially in descriptive text.
- d) It is better for the teacher to give enough practice in spoken and written form.

2. To the students

- a) The students must have more practice to improve their achievement in mastering text, and should try to write the descriptive text correctly.
- b) Students have to learn and improve the organization or the generic structure in writing descriptive text.
- c) They students should pay attention to the teachers when the teacher gives explanations about English lesson.
- d) The students should bring dictionary at English class.
