## STATEMENT OF WORK'S ORIGINALITY

Hereby, I honestly declare that the undergraduate final project I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

- My beloved little brothers (Rupiadin, Ulisman, Sidarman, and Nasrun) who always cheer me up at the moment of my bad mood and frequently ask about my colleges’ condition. I am quite proud of you being your old brother and I hope you’ll be greater than me.
