STATEMENT OF ORIGINALITY

Hereby, I honestly declare that the undergraduate final project I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and the references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

DEDICATION

I honorably dedicate this final project to every single lovely people who always give their love and affection to me. They who support me no matter how. And they who kindly give their previous gift [TIME] to me.
