## STATEMENT OF ORIGINALITY

Hereby, I honestly declare that the undergraduate final project I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and the references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

## DEDICATION

*I started this final project for myself, my beloved mother, father, and little sister.*

*I finished it for those who love and hate me.*
