**BAB I PENDAHULUAN**                                                      | 1       |

1.1 Latar Belakang Penelitian                                              | 1       |

1.2 Perumusan Masalah                                                     | 6       |

1.3 Tujuan Penelitian                                                     | 6       |
1.4 Kontribusi Dan Manfaat Penelitian ................................. 7

BAB II KAJIAN PUSTAKA .................................................. 9

2.1. Landasan Teori ......................................................... 9

2.1.1. Teori Portofolio .................................................... 9

2.1.2. Teori Signaling .................................................... 10

2.2. Definisi Variabel ..................................................... 11

2.2.1. Pasar Modal ....................................................... 11

2.2.2. Return Saham .................................................... 13

2.2.3. Risiko Sistematis ............................................... 15

2.2.4. Beta (β) .......................................................... 16

2.2.5. Saham ............................................................. 17

2.2.6. Likuiditas Saham ............................................... 18

2.2.7. Leverage .......................................................... 19

2.3. Penelitian Terdahulu ............................................... 21

2.4. Hipotesis ............................................................... 26

2.4.1. Pengaruh Risiko Sistematis Terhadap Return Saham ...................... 26
2.4.2. Pengaruh Likuiditas Saham Terhadap Return Saham ................................................................. 27

2.4.3. Pengaruh Laverage Terhadap Return Saham .......... 28

2.5. Kerangka Pemikiran Teoritis ................................................................. 30

BAB III METODE PENELITIAN ................................................................. 32

3.1. Jenis Penelitian................................................................................. 32

3.2. Variabel Dan Definisi Operasional Variabel ......................... 32

3.2.1. Variabel Penelitian................................................................. 32

3.2.2. Definisi Operasional Variabel.............................................. 33

3.2.3. Operasional Variabel ............................................................. 33

3.3. Populasi Dan Sampel ................................................................. 35

3.4. Jenis Data Dan Sumber Data ...................................................... 35

3.5. Teknik Sampling........................................................................... 36

3.6. Teknik Pengumpulan Data.......................................................... 36

3.7. Teknik Analisis ............................................................................. 36

3.7.1. Analisis Deskriptif ................................................................. 37

3.7.2. Uji Asumsi Klasik................................................................. 37

3.7.3. Uji Regresi Linier Berganda .............................................. 39
3.7.4. Pengujian Hipotesis ....................................................... 40

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ....................... 41

4.1. Hasil Penelitian ........................................................................ 41
  4.1.1. Deskripsi Sampel ............................................................. 41
  4.1.2. Statistic Deskriptif .......................................................... 42

4.2. Analisis Data ............................................................................ 43
  4.2.1. Pengujian Asumsi Klasik .................................................. 43
    4.2.1.1. Uji Normalitas Data..................................................... 44
    4.2.1.2. Uji Autokorelasi ......................................................... 46
    4.2.1.3. Uji Multikoloniaritas .................................................. 48
    4.2.1.4. Uji Heterokedastisitas ............................................... 49
  4.2.2. Uji Signifikansi Simultan (Uji Statistic F) ......................... 50
  4.2.3. Koefisien Determinasi ...................................................... 51
  4.2.4. Analisis Regresi Linier Berganda ..................................... 52
  4.2.5. Pengujian Hipotesis(Uji t).................................................. 53
    4.2.5.1. Pengujian Hipotesis 1 ................................................. 54
    4.2.5.2. Pengujian Hipotesis 2 ................................................. 55
4.2.5.3. Pengujian Hipotesis 3

4.3. Pembahasan

4.3.1. Pengaruh Risiko Sistematis Terhadap *Return* Saham

4.3.2. Likuiditas Saham Terhadap *Return* Saham

4.3.3. Pengaruh *Leverage* Terhadap *Return* Saham

BAB V PENUTUP

5.1. Kesimpulan

5.2. Saran

5.3. Keterbatasan Penelitian

5.4. Usulan Penelitian Selanjutnya
