ABSTRAK ....................................................................................................................... iv

BAB I PENDAHULUAN
   A. Latar Belakang Masalah .......................................................................................... 1
   B. Rumusan Masalah .................................................................................................. 5
   C. Tujuan Penelitian ................................................................................................... 5
   D. Manfaat Penelitian ............................................................................................... 6

BAB II KAJIAN PUSTAKA
   A. Landasan Teori ....................................................................................................... 8
   B. Hasil Penelitian yang Relevan ............................................................................. 22
   C. Kerangka Pikir ..................................................................................................... 24
   D. Hipotesis Tindakan .............................................................................................. 25
BAB III METEOLGI PENELITIAN

A. Seting Penelitian .........................................................................................27
B. Subyek Penelitian .........................................................................................28
C. Teknik dan Alat Pengumpulan Data ..............................................................29
D. Analisis data ..................................................................................................34
E. Indikator Keberhasilan ..................................................................................37
F. Prosedur Penelitian .......................................................................................37
G. Jadwal Penelitian ..........................................................................................41

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

A. Hasil Penelitian ............................................................................................42
B. Pelaksanaan Tindakan ...................................................................................43
C. Pembahasan ....................................................................................................67

BAB V SIMPULAN DAN SARAN

A. Simpulan .........................................................................................................71
B. Saran ...............................................................................................................72
