STATEMENT OF ORIGINALITY

Hereby, I honestly declare that the undergraduate final project I wrote does not contain the works or part of the works of other people, except those which were cited in the quotations and the references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from that paper.

ACKNOWLEDGEMENTS

Thanks to Allah for guidance along the way. I could finish this final project as a partial fulfillment of the requirements for getting degree of Sarjana Sastra on English Literature program.

I thank to many people who contribute in completing my final project. I would like to express my sincere gratitude and appreciation to Destary Praptawati, S.S., M. Hum. as the advisor for giving me guidance and helping me finish my final project. I would like to extend my sincere thanks to Mr. Hartono, S.S., M.Pd., as the Dean of College of Languages and all lecturers in College of Languages Sultan Agung Islamic University.

I cannot resist myself from expressing my gratitude to my beloved parents, H. Maksum Sumani and Hj. Siti Maulidiyah, who keep my name in their praying all time. (See, I am a stubborn daughter, somehow). Thanks to my sisters Nikmatur Rohmah, S.Pd.I and Mukhlisotun Nasihah, who always been the best sister of mine.

My wonderful family in SPI 4, my fabulous friends in English Literature 2011, Arinda, Susi, Anvi, Nasrul, Vera, Erlangga; special thanks for my dearly loyal Evie and Yaya who are endlessly supportive. I am also thankful to Mba Sofwa who constantly encourages me to finish this 'project. All musyrifah in Pesanmasa (mba Yayat, mba Echa, mba Uswah, mba Ely, Khori, Hanif, Anggi,

Omi, Intan). My juniors in College who always remind me to graduate from campus immediately =).

So many people supported me that I will never be able to thank them all. But here's the last and the beginning in a same way. I am truly grateful.

Lastly, I realize that this final project is far from being perfect and need constructive criticisms and suggestions to make it better. I hope this final project would be useful for myself and readers.
