

ABSTRAK

Penelitian ini bertujuan untuk mengetahui kebijakan pemerintah Indonesia dalam bidang impor sapi Selain itu, penelitian ini juga bertujuan untuk melihat bagaimana prospek kerjasama Australia Indonesia dalam bidang ekspor impor daging sapi

Hasil penelitian ini menunjukkan bahwa kebijakan *country based* Indonesia berpengaruh terhadap pemilihan Australia sebagai negara asal impor utama dan rencana swasembada daging 2014 berpengaruh terhadap penurunan kuota impor daging sapi Indonesia. Kebijakan larangan ekspor sapi pemerintah Australia ke Indonesia tahun 2011 berpengaruh terhadap kondisi perekonomian Australia khususnya di bidang ekspor sapi. Selain itu kebijakan ini juga berpengaruh terhadap hubungan bilateral Australia dan Indonesia khususnya kerjasama di bidang kesejahteraan hewan. Peluang kerjasama Australia-Indonesia di bidang ekspor impor daging sapi masih terbuka lebar. Pertama, karena Indonesia yang menganut system *country based* dan secara geografis jarak antara dua negara tersebut sangat dekat.

ABSTRACT

This study aims to determine the policy of the Indonesian government in the field of beef imports. In addition, this study also aimed to see how the prospects of cooperation in the field of export Australia Indonesia beef imports.

The results of this study indicate that a policy based country Indonesia influence the selection of Australia as the country of origin of imports and the main meat self-sufficiency plan in 2014 affect the decline in beef import quotas Indonesia. Development policy the Australian government ban cattle exports to Indonesia in 2011 affect the Australian economy, especially in the field of export cattle. In addition this policy also affects the bilateral relations between Australia and Indonesia in particular cooperation in the field of animal welfare. Australia - Indonesia cooperation opportunities in the field of export and import of beef is still wide open. First, because Indonesia that adheres to the system of country-based and geographical distance between the two countries are very close.
