ABSTRACT ...................................................................................................................... xiv
BAB I .................................................................................................................................. 1
PENDAHULUAN ............................................................................................................. 1
   A. Latar Belakang ........................................................................................................ 1
   B. Tujuan Penelitian .................................................................................................. 5
   C. Manfaat Penelitian ............................................................................................ 5
BAB II ............................................................................................................................... 7
TELAAH KEPUSTAKAAN ............................................................................................... 7
   A. Resiliensi .............................................................................................................. 7
      1. Definisi ............................................................................................................ 7
      2. Aspek-Aspek Resiliensi ................................................................................. 8
      3. Faktor-Faktor yang mempengaruhi Resiliensi ........................................... 11
      4. Manfaat Resiliensi ....................................................................................... 16
      5. Akibat tidak memiliki resiliensi ................................................................. 17
   B. Remaja .................................................................................................................. 17
      1. Definisi ............................................................................................................ 17
      2. Tugas-Tugas Perkembangan Remaja .......................................................... 18
   C. Perceraian OrangTua ....................................................................................... 19
      1. Definisi ............................................................................................................ 19
      2. Faktor-faktor Perceraian Orangtua ........................................................... 20
BAB III

METODE PENELITIAN

A. Rancangan Penelitian ................................................................. 28
B. Fokus Penelitian ........................................................................ 28
C. Operasionalisasi ....................................................................... 28
D. Subjek Penelitian ...................................................................... 29
E. Metode Pengumpulan Data .......................................................... 29
F. Kriteria Keabsahan Data ............................................................... 32
G. Teknik Analisis .......................................................................... 34
H. Refleksi Peneliti ......................................................................... 35

BAB IV

HASIL DAN PEMBAHASAN

A. Hasil Penelitian ......................................................................... 36
   1. Deskripsi Hasil Wawancara ..................................................... 36
   2. Unit Makna ............................................................................. 50
   3. Rekapitulasi Unit Makna .......................................................... 64
   4. Dinamika Psikologi ................................................................. 68
B. Pembahasan ................................................................................ 78
C. Kelemahan ................................................................................ 83

BAB V

KESIMPULAN

A. Kesimpulan ................................................................................. 84
B. Saran .......................................................................................... 86
