BAB I PENDAHULUAN .............................................................................................. 1
  1.1 Latar Belakang .................................................................................................. 1
  1.2 Rumusan Masalah .......................................................................................... 3
  1.3 Tujuan Penelitian .......................................................................................... 3
    1.3.1 Tujuan Umum ......................................................................................... 3
    1.3.2 Tujuan Khusus ....................................................................................... 4
  1.4 Manfaat Penelitian ........................................................................................ 4
    1.4.1 Manfaat Teoritis ................................................................................... 4
    1.4.2 Manfaat Praktis .................................................................................... 4

BAB II TINJAUAN PUSTAKA ..................................................................................... 5
  2.1 Retardasi Mental ............................................................................................ 5
    2.1.1 Definisi ................................................................................................ 5
BAB III METODE PENELITIAN

3.1 Jenis Penelitian ................................................................. 30

3.2 Variabel Dan Definisi Operasional .................................... 30
  3.2.1 Variabel ........................................................................ 30
  3.2.2 Definisi Operasional Variabel ....................................... 30

3.3 Populasi Dan Sampel .......................................................... 31
  3.3.1 Populasi Penelitian ....................................................... 31
  3.3.2 Besar Sampel .............................................................. 32
3.3.3 Teknik Sampling

3.4 Alat Dan Bahan Penelitian

3.5 Cara Penelitian

3.6 Tempat Dan Waktu Penelitian

3.7 Analisis Data

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1. Hasil Penelitian

4.2. Pembahasan

BAB V KESIMPULAN DAN SARAN

5.1. Kesimpulan

5.2. Saran
